SWISS SLEEP

PERFECT FINE TUNING FOR PERSONAL SLEEPING COMFORT.

Superspring Topper

With the top-quality, uncomplicated topper, every upper bed can be refined individually.

Superspring Topper

The Superspring Topper offers additional soft adjustment for a particularly soft surface feeling.

Additional comfort

The Superspring Topper gives the lying surface an even softer feel. It is particularly gentle on sensitive pressure points and ideal for those who like the «cuddle effect».

Straightforward solution

The double-sided topper with high-quality linen piping is very light and easy to handle.
